EXPERIENCE

Kuhn Riddle Architects, Amherst, MA

Sept 2024 - May 2025

Architecture Intern

- Prepared detailed drawings, renders, energy models, and 3D models for various projects, focusing on Schematic Design (SD), Design Development (DD), and Construction Documents (CD) phases using software such as Revit, Enscape, and Photoshop.

Royal Salt Ltd., Port Harcourt, Nigeria

Apr 2021 - June 2022

Freelance Architect

- Spearheaded the repurposing of a cement factory into a salt warehouse, on a site size of 2.47 hectares, by coordinating and collaborating with engineering and management team members to perfect equipment and layout, increasing 25% operational efficiency.
- Decreased energy consumption by 38% by developing and modifying existing design features and details under the direction of a project manager.
- Managed documentation and site engagements, securing stakeholder consensus to elevate project results, reflecting adept communication and stakeholder engagement skills.

B+D Architects, Jaipur, India

Dec 2020 - Apr 2021

Architecture Intern

- Collaborated with clients in Nigeria, ensuring multicultural sensitivity in design processes.
- Initiated workspace and canteen designs, employing local materials for cost-efficiency and sustainable practices.
- Collaborated closely with a Senior Architect to independently prepare and present client-focused design solutions to the project team members and the clients.
- Prepared designs, renderings, sketches, diagrams, schematics, and working drawings to illustrate design solutions.

Manipal School of Architecture and Planning, Udupi, India

Jul 2020 - Dec 2020

Architectural Documentation Intern

- Conducted in-depth analysis and documentation of vernacular architecture, showcasing strong analytical and digital documentation skills.

RECENT ACADEMIC ACHIEVEMENT

Externship Scholarship

Sept 2024 - May 2025

University of Massachusetts Amherst

- Awarded an academic scholarship as one of only 5 students in the Master of Architecture program, in recognition of securing a competitive, semester-long paid internship with Kuhn Riddle Architects (Sept 2024 – May 2025).
